That Gentleman Yesterday Named His Delegates.

THE CONVENTIONS TO-MORROW

Chesterfield County Holds the Balance of Power—Arrangements for the Great Trades Parade.

Other News.

Manchester Bureau, Richmond Times, 1112 Hull Street (Beattie Block).

Hon. Phillip V. Cogbill has named the following gentlemen as his delegates from Manchester to the convention to meet in this place to-morrow: Dr. T. P. Mathews, E. W. Weisiger, H. B. Weston, S. P. Jones, C. L. Page, J. J. Bayley, A. J. Bradley, Judge John H. Ingram.

The Executive Committee of the Business Men's Association met yesterday afternoon in the office of Augustine Royal & Co. The meeting was well attended and much interest was manifested in the promotion of the matters before the association. The main topic of discussion was arrangements for the trades parade to be held in connection with the carnival. The merchants have shown that they are rightly interested in this undertaking and will give it their hearty support. A grand showing will be made on this occasion by the trades people of Manchester.

Next Tuesday night the General Committee will meet and this matter will be discussed.

TO-MORROW'S CONVENTION.

The Democratic convention to nominate a Senator and two members of the House of Delegates for the Chesterfield district will meet in the Leader building to-morrow at noon. The convention will probably be called to order by Mr. Andrew Gallagher, chairman of the Manchester Democratic Committee.

The Senatorial convention will doubtless be held first, and as there is no opposition to Mr. P. V. Cogbill, he will be the Senatorial nominee.

The Chesterfield delegation will urge the nomination of Mr. W. W. Baker of that county, and the indications are that he will get the entire support of his county, which will insure his nomination, as Chesterfield has a majority in the convention.

The main fight will be between Manchester and Powhatan as to which place should be given the other nomination. There is a split in the Powhatan delegation, and a big one there. The three factions are those of Mr. Moore, who is a good speaker, and the eighty-eighth since its establishment. The election to-day will begin at 4 P.M. with an address by the Rev. Professor T. B. English, D. D. The public is cordially invited to attend these services.

The whole arrangement is most admirable and convenient and the establishment is altogether a most ideal and satisfactory shopping place.

ANOTHER THIEF.

F. U. Moxley's grocery store, on the corner of Fourth and Hull, was entered Monday evening by a thief, who took \$100 worth of clothes and a good pistol. Dr. Johnson has just returned from a trip to the north and Canada. Dr. Moore spent most of the summer preaching in Baltimore and North Carolina. Dr. English has been supplying churches in Petersburg and Norfolk. Dr. Strickler spent a part of the summer with his old charge in Atlanta.

The indications point to a most excellent attendance this year.

Three of the students have been occupied through the summer in rearranging and recataloguing the books of the Seminary library. The work was done on the most approved system, and will make the library more useful than ever. The books have been selected with unusual care from the beginning and now constitute one of the best working libraries of theology in the country.

The professors are all on the ground and ready for work. Dr. Herman spent the summer among his old friends in Missouri, Dr. Johnson at the University of Missouri, Dr. Moore at the University of Illinois, and Dr. English at the University of Michigan. Dr. English has been supplying churches in Petersburg and Norfolk. Dr. Strickler spent a part of the summer with his old charge in Atlanta.

Valuable editions of something over a thousand volumes have been made this summer, 500 of them from the collection of the late Rev. Dr. Burnett, of Atlanta, and 150 from the collection of the late Dr. Moore, of this city, besides a number of new volumes purchased with the \$500 generously given for this purpose by a good friend of the seminary in Baltimore in the early summer. The library now contains 17,000 bound volumes and 5,000 unbound pamphlets.

[LETTER TO MRS. PINKHAM NO. 246.]

THE PARISIAN STORE.

Splendid New Establishment of Fourcurean, Temple & Co. Thronged.

"I was a sufferer from female weakness. Every month regularly as the menses came, I suffered dreadful pains in uterus, ovaries were affected and had leucorrhoea. I had my children very fast and it left me very weak. A year ago I was taken with flooding and almost died. The doctor even gave me up and wonders how I ever lived.

"I wrote for Mrs. Pinkham's advice at Lynn, Mass., and took her medicine and began to get well. I took several bottles of the Compound and used the Sanative Wash, and can truly say that I am cured. You would hardly know me, I am feeling and looking so well. Lydia E. Pinkham's Vegetable Compound made me what I am."—Mrs. J. F. STRETCH, 461 MECHANIC ST., CAMDEN, N. J.

How Mrs. Brown Was Helped.

"I must tell you that Lydia E. Pinkham's Vegetable Compound has done more for me than any doctor.

"I was troubled with irregular menstruation. Last summer I began the use of your Vegetable Compound, and after taking two bottles, I have been regular every month since. I recommend your medicine to all."—MRS. MAGGIE A. BROWN, WEST PL. PLEASANT, N. J.

and Mr. Perdue, Jr., have returned from Cold Sulphur Springs, Rockbridge county, where they have spent the last month.
